

Response to Local Offer Questions

Following the introduction of the Children and Families Act (2014) AND the SEND Code of Practice (2014), local authorities are required to publish and keep under review information from services that are available for children and young people with SEND aged 0-25. The intention of this local offer is to improve choice and transparency for families. From the Local Offer, parents and carers will know what they can reasonably expect in their local area. It will also be an important resource for professionals in understanding the range of services and provision in the local area. This information is web based and there is an expectation that all providers, (except childminders), will answer the 14 questions below. We have added prompts as guidance, but there may be more information you could add about your setting. For more information visit www.surreycc.gov.uk/sendchanges
This information must be reviewed annually by the setting.
